In Manafort's defense, converting documents to and from Word could be easier. Not having tried it for a while, I attempted to transform my Word draft of this blog post into a PDF.

Paul Manafort couldn't convert PDFs to Word documents.

Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.

New York City English, or Metropolitan New York English, is a regional dialect of American English spoken by many people in New York City and much of its surrounding metropolitan area. Described by sociolinguist William Labov as the most recognizable dialect in North America, the dialect is known through its association in the media with many public figures and fictional characters.
