3 Stage One: Study Purpose As with any research study, the first stage in conducting a quality focus group is to define the study purpose. This is critical as it defines how all subsequent activities

Methodology Brief: Introduction to Focus Groups

In international development, good governance is a subjective term that describes how public institutions conduct public affairs and manage public resources in the preferred way. Governance is "the process of decision-making and the process by which decisions are implemented (or not implemented)". The term governance can apply to corporate, international, national, local governance or to the ...
