iv EXECUTIVE SUMMARY This second National Gender Policy replaces the first National Gender Policy of 2004. The first National Gender Policy gave way to a range of initiatives meant to address gender inequalities.

The National Gender Policy - undp.org

Multi-level (or multilevel) governance is an approach in political science and public administration theory that originated from studies on European integration. Political scientists Liesbet Hooghe and Gary Marks developed the concept of multi-level governance in the early 1990s and have continuously been contributing to the research program in a series of articles (see Bibliography).
