Constitutional Government). Hence, equating "politics" with "government" is not only a too simple and a limited view, it also would lead to circular reasoning as regards what governments do and why they are (supposedly) doing it. In this contribution therefore the meaning of government is considered to be different from "politics" which is a

government and current political leaders who are most often male (Delli Carpini and Keeter, 1993). This is the type of factual knowledge about government and politics addressed in this study. There are realms of political knowledge where women hold equal if not superior levels of knowledge to their male counterparts.

Civic Education and Knowledge of Government and Politics

Playing Politics. Politics is a multifaceted word. It has a set of fairly specific meanings that are descriptive and nonjudgmental (such as "the art or science of government" and "political principles"), but it can and often does carry a negative meaning closely related to these ("political activities characterized by artful and often dishonest practices").

Comparative government and politics provides an introduction to the wide, diverse world of governments and political practices that exist in modern times. Although the course focuses on specific countries, it also emphasizes an understanding of conceptual tools and methods that form a framework for comparing almost any governments that exist today.

AP* COMPARATIVE GOVERNMENT AND POLITICS

Politics/5 Hellenes were under royal rule before they came together, as the barbarians still are. Every family is ruled by the eldest, and therefore in the colonies of the family the kingly form of government prevailed because they were of the same blood. As Homer says: “Each one gives law to his children and to his wives.”
