In the English language, there are grammatical constructions that many native speakers use unquestioningly yet certain writers call incorrect. Differences of usage or opinion may stem from differences between formal and informal speech and other matters of register, differences among dialects (whether regional, class-based, or other), and so forth. . Disputes may arise when style guides ...

Exactly. I am not an English speaker, and most of the foreigners won't do any of the four first mistakes. English phonetics can be very difficult for a lot of foreigners because their mother tongue can be made up of less phonemes and allophones than English: they have to learn to identify and say new sounds (German, French, Spanish, Japanese, etc.).
