Yes, with pleasure. First, please write to the musician Ron Sexsmith, after whom the font is named, and get him to change his name. You may also want to write to Sexsmith, Alberta, Canada, and see if you can get them to change their name before any of your students inadvertently consult a map. Christian rocker Paula Sexsmith ought to be in your sights as well; don't let her feel left out.

CodeCog's Equation Editor is great when you just need little snippets of code to insert here and there, but if you are creating a document that contains a lot of mathematical expressions, you will find it much easier and more efficient to create a complete LaTeX document. In order to create LaTeX documents, you need two pieces of software: a LaTeX distribution and a text editor.
