Medieval and early modern instruments of torture. These torture devices were devices used in the Middle Ages or early modern period to cause pain, injury, and sometimes death, usually to extract information or a confession from criminals or prisoners, also as punishment for crimes.. Judas cradle

List of methods of torture - Wikipedia

In the study of the history of torture, some authorities rigidly divide the history of torture per se from the history of capital punishment, while noting that most forms of capital punishment are extremely painful. Torture grew into an ornate discipline, where calibrated violence served two functions: to investigate and produce confessions and to attack the body as a form of punishment.

Dictionary of Revolutionary Marxism - St - STAGFLATION The combination of economic stagnation (see below) and inflation at the same time. According to bourgeois economics this was supposed to be impossible, but when it first reared its ugly head in the U.S. in the late 1970s and 1980s they were forced to admit that it could indeed happen, though they still could not explain why.
