

history of europe in pdf

The history of Europe covers the peoples inhabiting Europe from prehistory to the present. During the Neolithic era and the time of the Indo-European migrations Europe saw human inflows from east and southeast and subsequent important cultural and material exchange. The period known as classical antiquity began with the emergence of the city-states of ancient Greece.

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...

The Business History Conference

The history of chess can be traced back nearly 1500 years, although the earliest origins are uncertain. The earliest predecessor of the game probably originated in India, before the 6th century AD; a minority of historians believe the game originated in China. From India, the game spread to Persia. When the Arabs conquered Persia, chess was taken up by the Muslim world and subsequently spread to ...
