A hero (masculine) or heroine (feminine) is a real person or a main character of a literary work who, in the face of danger, combats adversity through feats of ingenuity, bravery or strength; the original hero type of classical epics did such things for the sake of glory and honor. On the other hand are Medieval and modern heroes, who perform great deeds for the common good instead of the ...

When I was preparing to write my first book, *Web Analytics Action Hero*, I decided to focus on material that I felt was underemphasized or missing from the existing literature on web analytics. I wanted to help transform the industry's reporting-centered mindset to one focused on analysis and driving action from digital data.
