LOVED this program! The book is absolutely beautiful! I love how the children can write directly on the text book The pages are vibrant and the photos are up to date The online portion is engaging My children would beg to science This text did have more information that what was required for my state's standards Being a bit of a science nerd myself I appreciated that science wasn't dumbed down ...

Science Fusion encourages students to fully engage with the fundamental steps of science: inquiring, thinking, predicting, analyzing, and applying. Students will think critically and use their reasoning skills as they learn new content, applying what they've learned to online content, activities, and labs. The Write-In Student Text uses a magazine-like format to engage students in their lessons.
