Brewed coffee is made by pouring hot water onto ground coffee beans, then allowing to brew. There are several methods for doing this, including using a filter, a percolator, and a French press. Terms used for the resulting coffee often reflect the method used, such as drip brewed coffee, filtered coffee, pour-over coffee, immersion brewed coffee, or simply coffee.

Sonic Brew is the debut studio album by American heavy metal band Black Label Society, released on October 28, 1998 in Japan and May 4, 1999 in the US by Spitfire Records. Unlike the albums that followed, this album still possessed a distinct Southern rock overtone that up to this time had predominated Zakk Wylde's solo writing style. The album was initially released in Japan on October 28, 1998.
