Jazz is a music genre that originated in the African-American communities of New Orleans, United States, in the late 19th and early 20th centuries, and developed from roots in blues and ragtime. Jazz is seen by many as "America's classical music". Since the 1920s Jazz Age, jazz has become recognized as a major form of musical expression. It then emerged in the form of independent traditional ...

The term jazz guitar may refer to either a type of guitar or to the variety of guitar playing styles used in the various genres which are commonly termed "jazz". The jazz-type guitar was born as a result of using electric amplification to increase the volume of conventional acoustic guitars.. Conceived in the early 1930s, the electric guitar became a necessity as jazz musicians sought to ...

Chamber jazz is a genre of jazz involving small, acoustic-based ensembles where group interplay is important. It is influenced aesthetically by musical neoclassicism and is often influenced by classical forms of Western music as well as non-Western music or culture. That stated, in many cases the influence is traditional Celtic music, Central European folk music, or Latin American music instead.

New Orleans jazz is played by heart and ear. You fake some good old tunes and improvise on the melodies and the chords they are built on. Most of the tunes are forgotten a long time ago, nobody ask for them, nobody should play them, and today they should have been almost useless if it hadn't been for a few persons and bands who love early jazz and try keeping this old music alive.
