About these materials. These lesson-by-lesson answer keys for Progress in Irish have been used by countless students in New England-area Irish classes since 1989, and have been gradually "proofread" through the years. They may, however, still contain the occasional error, and if you find any, please let us know.

The semicolon or semi colon (;) is a punctuation mark that separates major sentence elements. A semicolon can be used between two closely related independent clauses, provided they are not already joined by a coordinating conjunction. Semicolons can also be used in place of commas to separate items in a list, particularly when the elements of that list contain commas.
