Rhetoric is the art of using language to convince or persuade. Aristotle defines rhetoric as "the faculty of observing in any given case the available means of persuasion" and since mastery of the art was necessary for victory in a case at law or for passage of proposals in the assembly or for fame as a speaker in civic ceremonies, calls it "a combination of the science of logic and of the ...

Those of us who have the opportunity to be here have the responsibility to speak for those who could not. As an American, I want to speak for those women in my own country, women who are raising children on the minimum wage, women who can't afford health care or child care, women whose lives are threatened by violence, including violence in their own homes.

But, I heard that TERF is a slur! The TERF meme is a way for TERFs to simultaneously attack and dismiss critiques of their ideology and behavior. Recently, a cisgender feminist used the term TERF and was immediately attacked not for the observations she actually made but for daring to distinguish between radical feminists and TERFs.
