

speaking across borders the pdf

List of national border changes since World War I refers to changes in borders between nations during or since 1914. For information on border changes from the end of the Napoleonic Wars to 1914, see List of national border changes from 1815 to 1914. This is a list of significant boundary changes with countries.

List of national border changes since World War I - Wikipedia

There are 27 municipalities with language facilities in Belgium which must offer linguistic services to residents in Dutch, French or German, in addition to their official languages. All other municipalities "with the exception of those in the Brussels region which is bilingual" are unilingual and only offer services in their official languages, either Dutch or French.
