AkzoNobel consists of three main business areas, as well as corporate functions, with business responsibility and autonomy. Currently, a seven member-strong Executive Committee (ExCo) was established, which is composed of two members of the Board of Management (BoM) and five leaders with functional expertise, allowing both the functions and the business areas to be represented at the highest ...

Attachment theory is a psychological model attempting to describe the dynamics of long-term and short-term interpersonal relationships between humans. "Attachment theory is not formulated as a general theory of relationships; it addresses only a specific facet": how human beings respond within relationships when hurt, separated from loved ones, or perceiving a threat.
