

strategic database technology management pdf

The federal judiciary is respected throughout America and the world for its excellence, for the independence of its judges, and for its delivery of equal justice under the law. Through this plan, the judiciary identifies a set of strategies that will enable it to continue as a model in providing fair and impartial justice.

Strategic Plan for the Federal Judiciary | United States

Oracle acquired Sun Microsystems in 2010, and since that time Oracle's hardware and software engineers have worked side-by-side to build fully integrated systems and optimized solutions designed to achieve performance levels that are unmatched in the industry. Early examples include the Oracle Exadata Database Machine X2-8, and the first Oracle Exalogic Elastic Cloud, both introduced in late 2010.
