Strategic bombing is a military strategy used in a total war with the goal of defeating the enemy by destroying its morale or its economic ability to produce and transport materiel to the theatres of military operations, or both. It is a systematically organized and executed attack from the air which can utilize strategic bombers, long- or medium-range missiles, or nuclear-armed fighter-bomber ...

Product recalls are increasing. In 1988, the U.S. Consumer Product Safety Commission was involved in some 221 recalls covering about 8 million product units.

### **A Strategic Approach to Managing Product Recalls**

A strategic alliance (also see strategic partnership) is an agreement between two or more parties to pursue a set of agreed upon objectives needed while remaining independent organizations. A strategic alliance will usually fall short of a legal partnership entity, agency, or corporate affiliate relationship. Typically, two companies form a strategic alliance when each possesses one or more ...

Recent years have seen an increase in attacks against state representatives, notably the police, across Germany. Some perpetrators of those attacks have been found to represent an ideology that opposes the state and its representatives and, more specifically, considers the modern German state to be illegitimate.
