method may work better than another for you. Our recommended theory is the flyover. You want to spend some time on the passage, at a bare minimum so that you have a general idea about what the questions are going to ask and get your mind into the proper mindset for the series of questions. However, you don't want

### **GED Test Study Guide**

This guide is intended to help technicians study for the ASE Auto Maintenance & Light Repair Test (Test G1). It contains Test Specifications, a task list, and sample questions. After reviewing this guide, you should find it easier to select reference material to help you prepare for the test.
