Sexually submissive women don't play the games other women play. They love sex and only want to please you in every way they can. They won't reject you, they don't want you to spend your hard-earned money on them and you won't ever have to buy flowers again. Submissive women are addicted to pleasing the man who takes control of them and tells them what to do.

In BDSM, Master/slave, M/s or sexual slavery is a relationship in which one individual serves another in an authority-exchange structured relationship. Unlike Dominant/submissive structures found in BDSM in which love is often the core value, service and obedience are often the core values in Master/slave structures. The participants may be of any gender or sexual orientation.
