Successful Social Work Education: A Student's Guide

Social work competence is the ability to integrate and apply social work knowledge, values, and skills to practice situations in a purposeful, intentional, and professional manner to promote human and community well-being.

Educational Policy and Accreditation Standards

Making the education of social workers consistently effective Report of Sir Martin Narey's independent review of the education of children's social workers January 2014

Making the education of social workers consistently effective

Standards for Social Work Education 1.0 Introduction This document sets out Standards for Social Work Education that apply to students enrolled at the School of Social Work at the University of Texas at Austin, beginning Summer 1997. Because of the nature of professional social work practice, the School of Social Work has

Standards for Social Work Education

Successful social work students are diligent about time management, organization and self-care. They apply what they are learning to real-life and study in groups. These skills help students be accountable and efficient as they study to become effective social workers.
