The following summary of the law, and changes made to the law by subsequent legislation, focuses on provisions to expand coverage, control health care costs, and improve health care delivery system.

### **Summary of the Affordable Care Act | The Henry J. Kaiser**

Prices act as a guide for consumers and producers. A free market economic system is sometimes called a profit system, when in fact it is a profit and loss system. And the losses are equally important for the efficiency of the economy, because they tell the manufacturer what to stop producing. Resources tend to flow to their most valued uses.
