A summary execution is an execution in which a person is accused of a crime and immediately killed without benefit of a full and fair trial. Executions as the result of summary justice (such as a drumhead court martial) are sometimes included, but the term generally refers to capture, accusation, and execution all conducted simultaneously or within a very short period of time, and without any ...

In law, a summary judgment (also judgment as a matter of law) is a judgment entered by a court for one party and against another party summarily, i.e., without a full trial. Such a judgment may be issued on the merits of an entire case, or on discrete issues in that case.. In common-law systems, questions about what the law actually is in a particular case are decided by judges; in rare cases ...
