

swimming pools great fun pdf

A swimming pool, swimming bath, wading pool, or paddling pool is a structure designed to hold water to enable swimming or other leisure activities. Pools can be built into the ground (in-ground pools) or built above ground (as a freestanding construction or as part of a building or other larger structure), and are also a common feature aboard ocean-liners and cruise ships.

Ever since I wrote this post about Five things to keep in mind for first-time visitors in Iceland, where I touched on the subject of showering naked before entering Icelandic swimming pools, I've received a lot of e-mails from confused people that don't quite understand the swimming pool protocols. I've got questions about whether the locker rooms are co-ed, whether we swim naked and ...
