The Tao Te Ching An Introduction by Stan Rosenthal PREFACE A number of problems arise when translating any work from a written language, such as early Chinese, into twentieth century English. One such problem is the difference between the written forms of the two languages, another is the difference between the

The Tao Te Ching - Tao Te Ching

The Tao Te Ching is a blueprint for enlightenment a roadmap for self-realization. It is a key text and if understood properly can trigger awakening in its reader. Because this book will be published, I have no wish for its contents to be leaked onto the web, but I am looking for a Chinese person to write an enthusiastic foreword for me.
