Given my high expectations I was disappointed overall with The Bat. A number of things fell short. First the vast majority of the action took place in Australia, which was weird. (I kept getting the feeling while reading it that the author visited that country so he could write a book with it as the setting.

Bat 6 | Multnomah County Library

The first book, The Bat, was written in 1997. But it wasn't published in English until 2012. From what I read, the delay is probably because the novel is set in Australia, not in Oslo as the later books. The second book, The Cockroaches, was also not translated until many years after it's publication in Norwegian.

The Bat (Harry Hole Series #1) by Jo Nesbo, Paperback

The BAT 2.0 book is a star among training concepts and Grisha Stewart has such a nice way of making everything easy to understand. Add her sense of humor to the topic and you have a book that is hard to put down.
